NEW DESIGN SERVICES

Special:
2-Hour Space Refresher

INVEST 5 MINUTES

I will come to your home and do a complimentary 5-minute look-around. If I can help you make *radical* improvements, let's get to work! For a total of \$300, in two hours you'll end up with a "new" space. I call it –

"STAGING TO STAY"

Let's use what you already have. With a designer's eye, we'll transform your home. Rearrange furniture, add the right color, or simply bring in a cluster of pillows – it will make your home feel fresh and new. I can:

- Rearrange Existing Furniture
- Re-hang Artwork
- Arrange Keepsakes into Collections
- Offer Color Advice
- Improve Lighting

The result: your "new" home!
